

Position: Awakening Nurse

Job Location: Saudi Arabia

Qualification: BSc Nursing

Experience: Bachelor's degree in Nursing and three years' experience in the recovery department or a nursing diploma with no less than five years' experience in the recovery department

Job Responsibility:

- Monitoring post-operative patients' levels of consciousness during recovery from anaesthesia.
- Measuring and recording patients' vital signs.
- Closely observing patients for signs of side effects of anaesthesia medication.
- Treating pain, nausea, and other post-operative symptoms of anaesthesia.
- Updating charts, patient files, and medical records.
- Collaborating with the medical team on post-operative patient care and facilitating timely specialized interventions.
- Providing comfort and reassurance to distressed post-operative patients and concerned family members.
- Educating patients and their families on post-surgery care, as well as answering questions.
